Here, in the middle of Ohio cornfields, Denison University stands up above the surrounding countryside as a symbol of higher learning. It offers to its students an environment rich in educational opportunities.

Drawing students from all facets of life, Denison can provide not only a liberal arts education, but a liberal environment as well. With this background, a graduate can blend easily into the life outside college, having experienced most of what life has to offer inside the controlled college arena. With this sophistication, he should feel competent in all that he does.

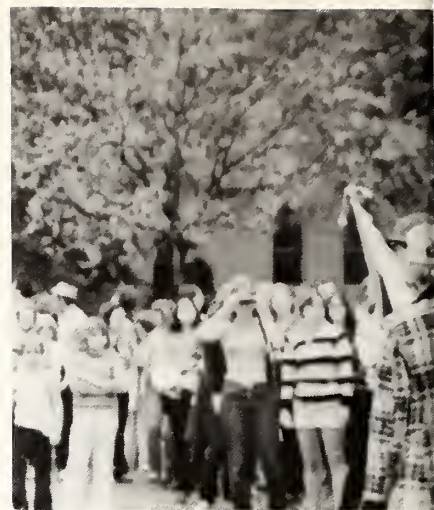

Is Here For All Of Us.

A student has the chance to learn much at Denison, but the most important thing he can master is a desire for knowledge. Once a student wishes to be educated, Denison can provide the facilities toward that end. The ecstasy of learning is a feeling unrivaled by ordinary accomplishments.

Once there is a desire to learn, a student must decide on a method for the acquisition of knowledge. Questioning is best. Question everything. Take nothing for granted. For every issue raised, there is another side that should be examined. The inquisitive student will seek out these opposing views and test their merit, incorporating the valid portions into his own platform.

Each Should Find A Purpose,

A good school should prepare its students for the world outside. Denison is such a place. Even though it is a microcosm within itself, its campus and the surrounding areas provide nearly all that is available in large metropolitan regions. One just has to look a little harder.

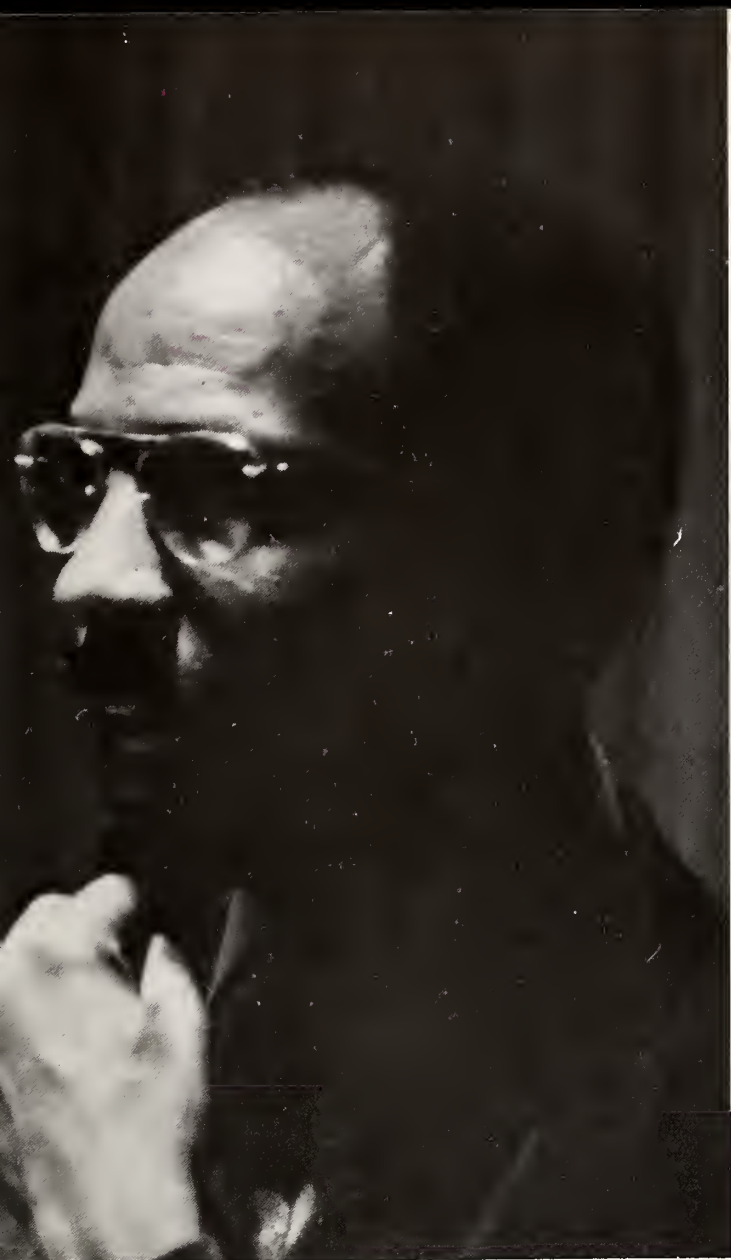

Denison provides opportunities for nearly everything. A student can do anything from student teaching at a local school to obtaining management experience from running the food cooperative for the fraternities. The athletic program fields teams in which the participant can build both his physique and his self-image.

The various campus social organizations can provide a means to unite people with mutual interests as well as an opportunity for leadership experience.

Denison University gives an environment in which it is possible to do almost anything. Individual desire is the only commodity necessary for success.

A Direction To Go.

As thoughts turn to leaving, it seems that time here has gone swiftly. Was it really four short years ago that we arrived? Is it possible that all of those all-nighters have finally benefited us instead of the coffee retailers?

Here and gone again. It seems just that quick. The time here wasn't unpleasant, it was just sort of a blur: papers, parties, breaks and tests, friends and all of the late-night bull sessions that undoubtedly contributed to the terminal dark circles under all our eyes.

Was it worth it? It depends. It was, if you wanted to be here. It was even if you decide later that you wanted to be here even if you didn't at the time. If you were looking for the perfect tan however, you just blew four years and several thousand dollars.

In the long run though, it doesn't matter. It's only another crossroads on the way to our destiny.

Either School,

Or The Real World,

Is Laying Ahead.

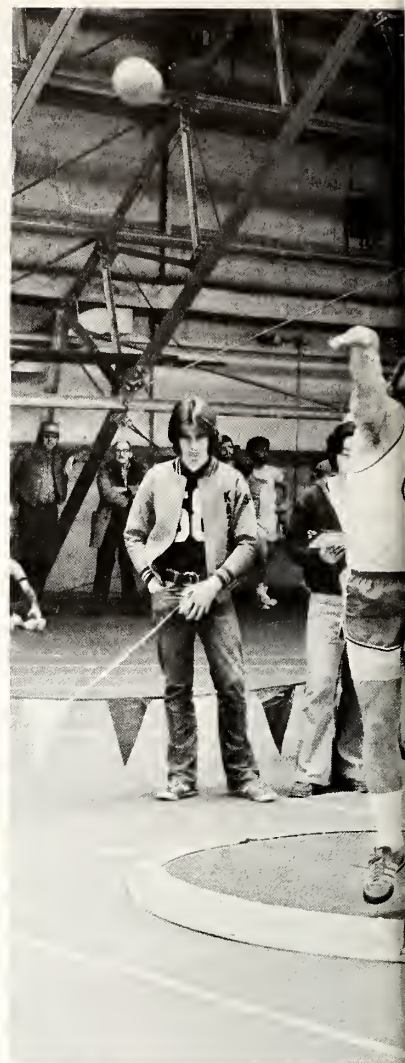

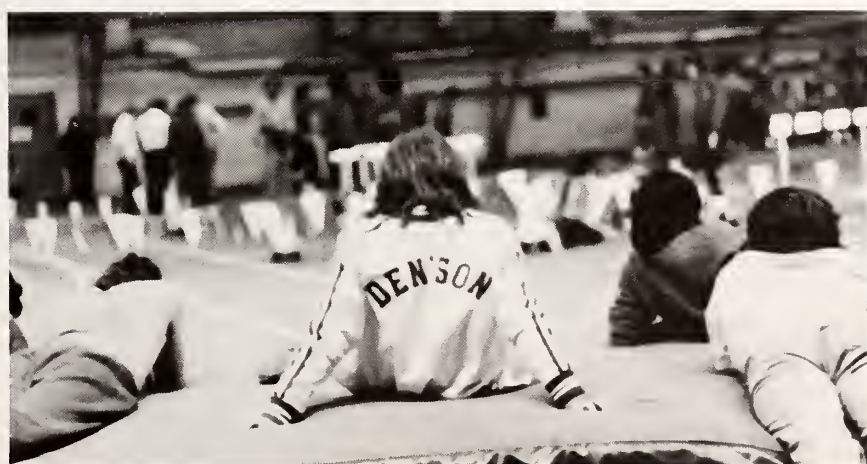

Gentlemen, you are now about to embark upon a course of studies which will occupy you for two years. Together, they form a noble adventure. But nothing that you will learn in your studies will be of the slightest possible use to you in afterlife — save only this: that if you work hard and intelligently, you should be able to detect when a man is talking rot, and that, in my view, is the main, if not the sole, purpose of education.

Harold Macmillan, former
Prime Minister of Great Britain.

THE ENLIGHTENMENT

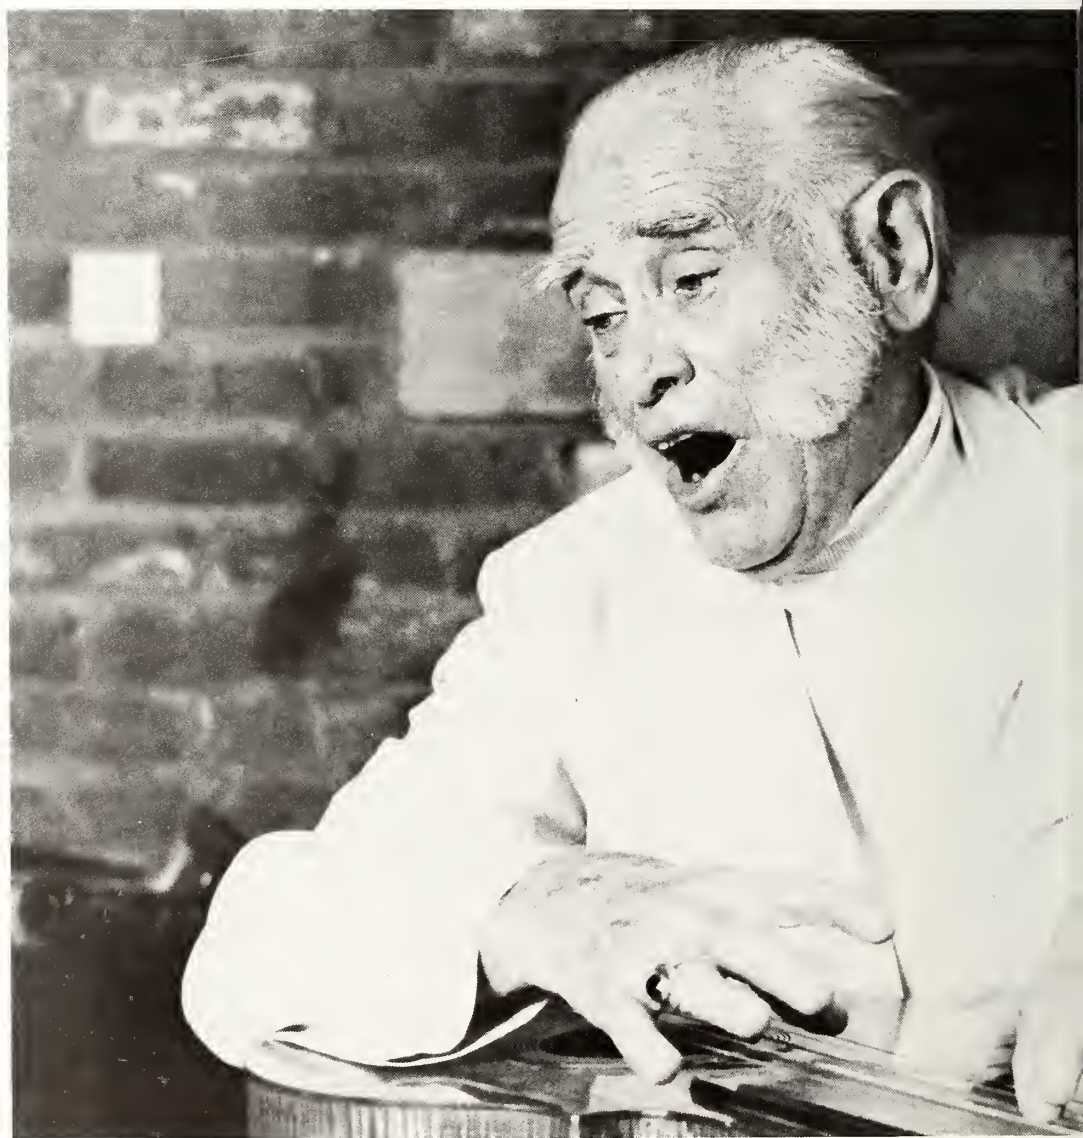

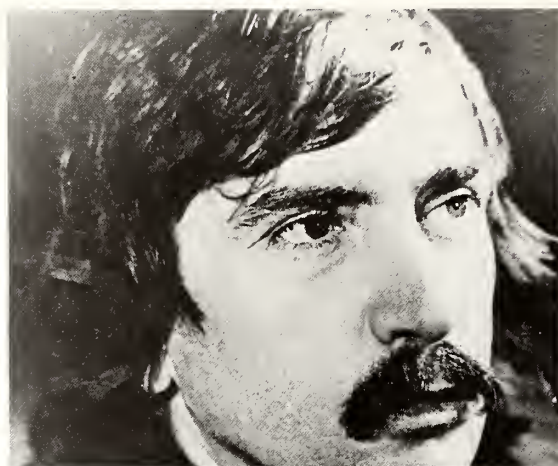

This year, Denison was fortunate enough to have a wide variety of guest speakers on campus. Clockwise from top center: Senator George McGovern speaking as part of the Human Rights Symposium. William Rusher on U.S. foreign policy as part of the same program. Allen Whiting spoke during J-Term on China. Harry Edwards speaking on black education.

Speakers On The Denison Campus...

From Social Issues To The Creative Arts

Besides speakers on social issues, Denison also had a program for the arts. Clockwise, Top center: Mrs. Elizabeth and Dr. Elliot Borishansky of the faculty performed a group of piano duets. Harpsichordist Igor Kipnis finished his great performance with the blues played on the harpsichord. Playwright Edward Albee appeared in conjunction with the performance of his *American Dream*. John Jacob Niles presented a collection of American ballads in Burke Hall.

THE ATHLETES

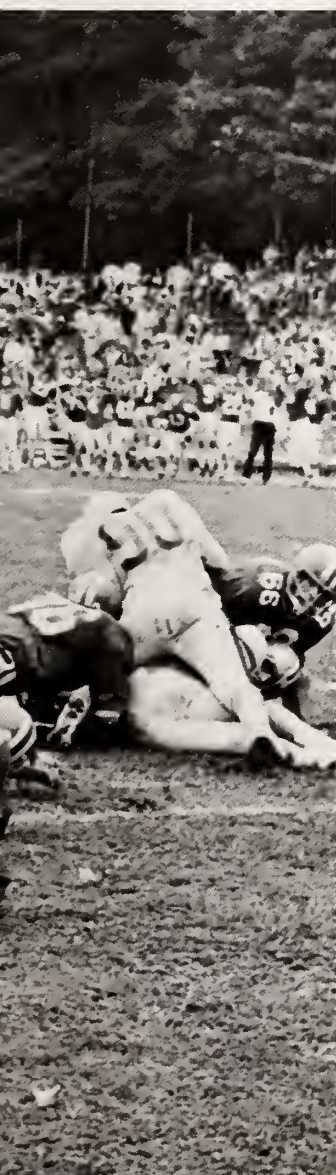

Big Red Endures Disasterous Season

The Denison football team closed its 1977 season on an optimistic note by tying Ohio Wesleyan 10-10. It was a tribute to the coaching staff and the players to come back after eight consecutive losses and play well for the entire game, a performance that was indicative of this year's team. The Gridders demonstrated their incredible amount of pride by giving their all throughout the season and especially playing their hardest against nationally ranked Baldwin-Wallace. Honors highlighted the end of the season as senior co-captain Dave Holcombe became a recipient of an NCAA Post-Graduate scholarship and junior Perry Horner was placed on first team All Ohio Conference.

Top Row, Left to Right: Asst. Coach J. Hire, R. Walker, B. Humphries, T. Wigton, B. Speck, J. Betchel, C. Sampson, J. Parsons, B. Grubaugh, W. Neal, R. Devine, C. Washington, D. Washington, S. Roberts, D. Reed, A. Spann, Asst. Coach J. Bickel. Second Row: Trainer D. Googins, R. Houpt, J. Ansel, T. Benadum, G. Joseph, T. Jackson, S. Lipster, J. DiDonato, L. Clark, N. Mills, D. Jupp, G. Shallen, T. Watkins, Asst. Coaches L. Sherman, D. Voris. Third Row: Asst. Trainers D. Rositano, and S. Moll, P. Harper, B. Clamp, T. DeWitt, J. Snyder, W. Gray, T. McGreevy, T. Wehe, M. Vogan, M. Karchon, M. LeMaster, C. Dashut, J. Brown, T. Trout, K. Winn, Asst. Coach C. Angelo. Fourth Row: Head Coach Keith Piper, T. Bradshaw, S. Williams, J. Piper, L. Kasunic, G. Powell, B. Hickok, D. Roberts, Co-Captains Doug DeVilbiss and Dave Holcombe, J. Love, B. Thompson, B. Yuhas, J. Sultzer, R. Kirk, J. Florence, B. Johnson, J. McNeely.

Soccer is a Kick in the Grass

Denison's highly respected soccer team finished with a 9-4-2 record for the season and was ranked tenth in Ohio according to a vote by the coaches of the Ohio College Soccer Association. A chance for a bid to the NCAA Division III tournament disappeared after a tough loss to Ohio Wesleyan, 1-0. Throughout the season the team exhibited a well-balanced attack, outshooting, out-corner kicking and outscoring their opponents. Senior Dagem Dejene was the leading scorer with ten goals and six assists for the season. Noting that three of the four losses were by one goal margins, Denison booters had a successful season attributed to the depth and the talent of the squad.

Top Row, Left to Right: S. Miller, F. Kenney, P. VanArsdale, B. Williams, C. Petti, B. Jones, P. Haff, D. Manning, Second Row: Coach Ted Barclay, C. Cutler, D. Burke, T. Cote, T. Fowler, D. Molten, B. Bachman, G. Ai, D. Atkinson, R. Beckwith, Third Row: F. Maynard, R. Howell, J. Burton, J. Gale, S. Falkowski, D. Dejene, H. Lippes, P. Craddock, P. Kennedy, Captains: A. Gamble, and B. McCreary.

Hockey — Not Just A Stick In The Mud

It was hard to believe that the field hockey team's first taste of defeat came at the state tournament. Entering the tournament undefeated and the number one seed, Denison's lost to Wooster 2-1 in five overtimes was unexpected and disappointing. It's difficult to find much wrong with this season, with a regular season record of 9-0-1, the best in Ohio; and at the same time outscoring their opponents by the overwhelming margin of 41-7. The team's leading scorer and co-captain Sheila Noonan was instrumental in that department. The Junior Varsity also had a great season, being defeated only once. Besides the overall record, Coach Jo Rosenberger was also quite proud of her team's performance in the back to back wins over Ohio State and Ohio Wesleyan.

Junior Varsity Squad

Top Row: Elsie O'Brien, Jill Buckey, Karen Erck, Sarah Storch, Sue Cauffman, Coach Jo Rosenberger. Second Row: Sally Rogers, Stephanie Stifel, Jean Walker, Susan Bartlett, Christie Hammond, Jennifer Huettner. Third Row: Tracy Coyne, Jane Bolster, Katie Ewald, Shelley Robinson. Fourth Row: Heather Murray, Linda Powell, Jennifer Owens, Cindy Biddle.

Top Row, Left to Right: Coach Jo Rosenberger, Belinda Veno, Kim Bourne, Peggy Bardes. Middle Row: Susie Goodale, Leslie Lincoln, Beth Willis, Bee Neill, Patti Quinn, Francie Clarke. Bottom Row: Co-captains Nan Carney and Sheila Noonan.

Volleyball — Airborne At The Net

The Volleyball Team: Front: Coach Sally Dellinger. Row Two: Laura Leinen, Tracy Hill, Ann Lawrence, Jenny Thornton, Holly Hall. Row Three: Jody Geiser, Maribeth Mallon, Anne Suter, Carol Phillips, Debi Schlundt, Jenny Houston, Lisa Lawrence, Kathy Hughes.

Bowling — Striking Out For A Win

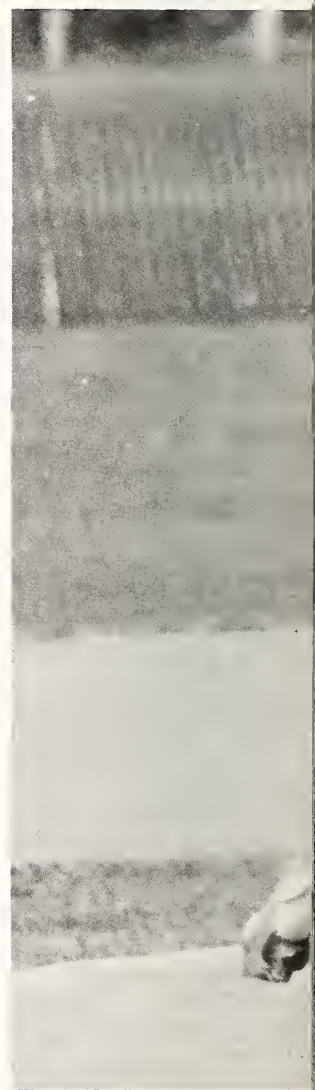

The Bowling Team: Seated at table: Captain Alice Klatt, Jean Schumacher. Row Two: Lisa Breese, Charlotte Volz, Lisa Mooney, Eileen Chang, Linda Powell, Rita Simmons, Donna Buffum, Coach Elizabeth VanHorn.

Hockey — The Big Red Icemen Cometh

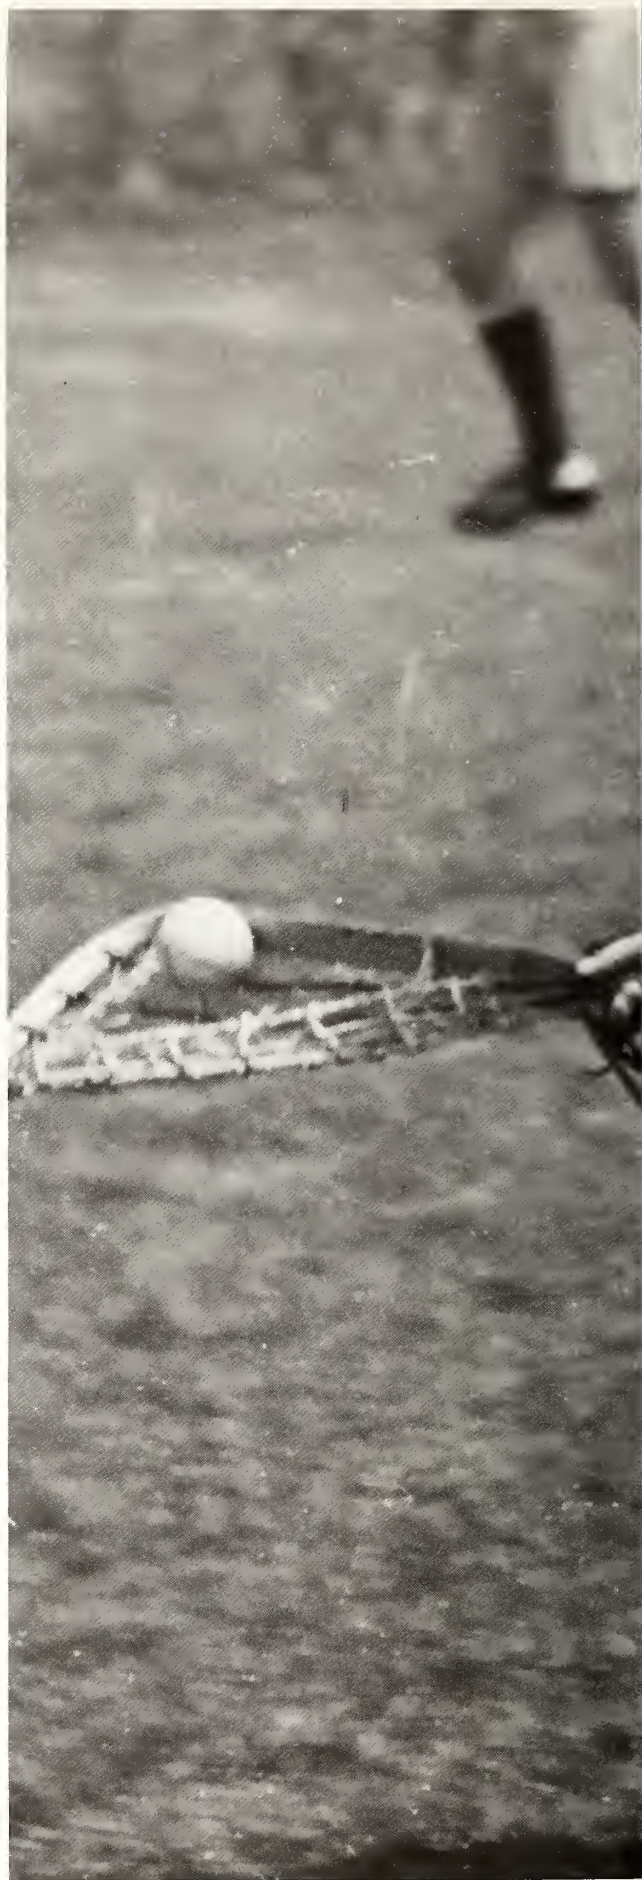

Considering the disadvantages of being a club the Denison hockey team has done exceptionally well. Co-captains and organizers Jay Remsen and Hunter Nickell put together a well-balanced team which throughout the season gained a long deserved group of avid fans.

ADYTUM STAFF 1978

The Adytum 1978 was printed on 80 weight, white matte paper in brown/black ink. Palatino type in 6,8,10 and 30 point sizes was used. The book was printed by Hunter Publishing Company represented in this area by Mike McKelley. Senior portraits are by Stevens Studios.

Walt Whitman said, "Obey little, resist much." That is what has gone into this book, a little obedience and a whole lot of resistance. But it is finished and you are reading the results. It's not great but it beats having a Boy Scout troop dance on your head. These are the people who saved you from that grisly fate: Steve Kamin, Kris Lugger, Lisa Spears, and Editors Mark Buehler and Rick Thomas. The others responsible who didn't make the picture are Jennifer DeSilva, Mary Ann Cramer, Wendy McGlooin and Carolyn Rogalsky. The other people who were on the staff but bailed out before the end are Tom Griffiths, Luci Stone, Susan Hunsiker, Jane Musgrave and Anne Dumont.

We would like to thank The Denisonian, News Services, Peter Athens, Melinda Clothier, and Bea Neill for pictures as well as those who will go unsung because their names were not submitted before the deadline, (see Walt Whitman quote for reason). We would also like to thank Charles Perdue for art work.

Thanks to Bob Kinney for bailing me out.

Special Thanks to Charlie and Charley for ducking when the dreaded Thornbirds came their way.

And to Mike: After four tries, you'd think we'd get it right.
